HIGH-END RACING TECHNOLOGY

Following a triumphant launch in 2023, we are thrilled to present an even grander platform for the exploration and celebration of foiling excellence. Embark on a journey of maritime innovation and position your brand at the forefront of the evolving seascape! The Foiling Technology Pavilion (FTP) at METSTRIDE in collaboration with the Foiling Organization is a beacon of cutting-edge advancements in foiling technology.

Main goals FTP

- Promote foiling for cruising, racing, and commercial shipping
- Foster a network for sharing ideas, skills, and resources
- Grow the economic value of foiling through events and initiatives
- Serve as a central education hub for the foiling segment

Be part of a network driving foiling innovation and economic growth and join discussions at our dynamic Foiling Theatre, exploring the latest trends and breakthroughs in foiling technology. Join us at METSTRIDE, where the future of boating takes flight!

In collaboration with

BE PART OF A COUNTRY PAVILION

In association with the International Council of Marine Industry Associations (ICOMIA), METSTRADE features country pavilions. ICOMIA is the international trade association representing the global marine industry since 1966. ICOMIA brings together national marine industry associations (MIA's) in one global organization and represents them at an international level.
